

2021 Reprint Charges and Ordering Details

PNAS reprints are produced in full color and include self-covers. Please see sample rates below.*

Shipping

UPS ground shipping within the continental US (1–5 days delivery) is not included in the reprint prices and will be calculated with order processing. Orders are shipped to authors outside the continental US via expedited delivery service (included in the reprint prices).

Delivery

Your reprints will be shipped within 2 weeks of receipt of your order.

Tax Due (US and Canada Only)

For orders shipped to Canada, CA, DC, FL, MD, NC, NY, VA, and WI, add appropriate sales tax. **A copy of the state sales tax exemption certificate must accompany the order form;** otherwise sales tax will be assessed (billed).

Ordering

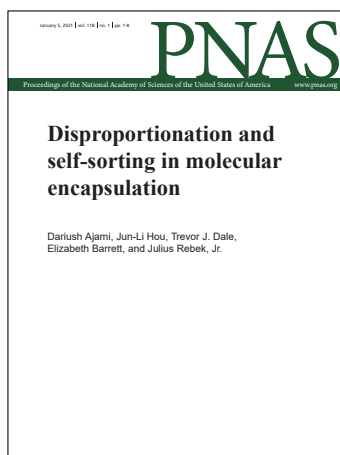

Authors will be invited to place reprint orders at the page proof stage.

For questions, please contact Copyright Clearance Center by email at publicationservices@copyright.com.

Reprint Rates

| Quantity | 25 | 50 | 100 | 200 | 300 | 400 | 500 |
|----------|-------|-------|-------|-------|---------|---------|---------|
| Cost | \$523 | \$583 | \$706 | \$935 | \$1,173 | \$1,411 | \$1,645 |

*Minimum order is 25 copies; shipping is not included. Rates shown represent average costs for an 8-page article and do not include shipping. Actual pricing is contingent on final page count.

Covers for reprints will display the volume, issue, page numbers, and PNAS masthead with the reprint article title and authors imprinted in the center of the pages. Covers for all reprints will be printed in color on the same paper stock as the article.

ePrints: An eprint is a high-quality, full-color PDF with a cover that is suitable for electronic distribution and printing. Eprints for PNAS articles are available for \$250.

Specifications for Author ePrints:

- Noncommercial use only
- Unlimited opens for purchaser
- No covers on the article PDF file
- Single license to purchaser only (1 user)
- Printing turned on
- 1 year access
